2027

International Art Competition

Selection of the best fourth-year talents of secondary schools with an artistic focus nominated by the school.

How to get involved?

A selected high school with an artistic focus can nominate one tenth of the total number of 4th year students in art majors who will create a work of art exclusively for the 2026/27 competition year on the theme "H o r i z o n s".

What can you get?

The three best students from each country will be awarded €630, €420 and €210. The school will receive €2121 for the best work from each country. In the final of the competition, the top three will receive €3000, €2000 and €1000, and the winner of the online vote will receive €210. More at: www.start21art.eu
